

through the tunnel quotes

through the tunnel quotes provide powerful insights into the themes and symbolism found in Doris Lessing's renowned short story, "Through the Tunnel." This article explores some of the most impactful and meaningful quotes from the narrative, shedding light on the protagonist's journey of self-discovery, courage, and transition from childhood to maturity. By analyzing these quotations, readers gain a deeper understanding of the story's core messages and the literary techniques employed by Lessing. The exploration includes interpretations of key moments, character development, and the symbolic use of the tunnel itself. Additionally, this article addresses the relevance of these quotes in the context of personal growth and overcoming challenges. The comprehensive analysis serves as a valuable resource for students, educators, and literary enthusiasts alike. Following this introduction, the article presents a detailed table of contents outlining the main sections for easy navigation.

- Significant Through the Tunnel Quotes and Their Meanings
- Symbolism and Themes Reflected in Through the Tunnel Quotes
- Character Development Through Selected Quotes
- Using Through the Tunnel Quotes in Literary Analysis
- Memorable Quotes and Their Impact on Readers

Significant Through the Tunnel Quotes and Their Meanings

This section highlights important through the tunnel quotes that capture the essence of Doris Lessing's story. Each quotation is analyzed to reveal its significance within the narrative and its contribution to the overall themes.

Key Quotes Illustrating the Protagonist's Determination

One of the most memorable quotes from the story is when Jerry, the young boy, resolves to swim through the underwater tunnel despite the danger. This moment encapsulates his determination and desire for independence. The quote, "He must swim through that tunnel," reflects his internal struggle and commitment to proving himself.

Quotes Depicting the Struggle and Triumph

Another significant quote describes the physical and emotional challenge Jerry faces: "His breath was going. He fought to the surface, gasping, his eyes streaming tears from the salt water." This vivid imagery emphasizes the intensity of his effort and eventual triumph, symbolizing a rite of passage.

Quotes Reflecting the Theme of Transition

Lessing writes, "He felt a sudden joy in his achievement," highlighting Jerry's transition from childhood innocence to a more mature self-awareness. This quote underscores the story's central theme of personal growth and the rewards of perseverance.

Symbolism and Themes Reflected in Through the Tunnel Quotes

The story "Through the Tunnel" is rich with symbolism, much of which is illuminated by key quotes. This section explores how these quotes reveal underlying themes such as courage, independence, and the journey toward maturity.

The Tunnel as a Symbol of Passage

The tunnel itself represents a challenging passage from one stage of life to another. Quotes describing Jerry's interactions with the tunnel often symbolize his internal transformation. For example, the line "The tunnel was a dark passage he had to conquer" conveys the metaphorical significance of the tunnel as a barrier to be overcome.

Quotes Highlighting the Theme of Courage

Courage is a dominant theme in the narrative, and several quotes emphasize Jerry's bravery. Phrases like "He was afraid but he did not want to turn back" illustrate the tension between fear and determination, capturing the universal experience of facing daunting challenges.

Independence and Self-Reliance in Through the Tunnel Quotes

Jerry's journey is also one of self-reliance. The quote "He did it alone, without any help" stresses his independence, which is a crucial aspect of his coming of age. This theme resonates through various passages, reinforcing the story's focus on individual growth.

Character Development Through Selected Quotes

Understanding the protagonist's development is essential to appreciating the narrative depth of "Through the Tunnel." This section examines how selected quotes reveal Jerry's evolving mindset and maturity.

Early Quotes Showing Jerry's Innocence

At the beginning of the story, quotes such as "He was a small boy with a wild look" hint at Jerry's youthful innocence and curiosity. These initial descriptions set the stage for his impending transformation.

Quotes Marking Jerry's Determination and Focus

Midway through the story, quotes like "He trained himself to hold his breath longer" demonstrate his growing determination and focus, signaling a shift from passivity to active pursuit of his goal.

Final Quotes Signifying Growth and Self-Awareness

At the conclusion, quotes such as "He did not feel like a child any longer" encapsulate Jerry's newfound maturity and self-awareness, highlighting the success of his personal quest.

Using Through the Tunnel Quotes in Literary Analysis

Through the tunnel quotes serve as essential tools for literary analysis and critical interpretation. This section provides guidance on effectively incorporating these quotations into essays and discussions.

Identifying Themes Through Quotes

Quotations from the story can be used to identify and support themes such as courage, independence, and transformation. Analyzing these quotes allows readers to uncover deeper meanings and authorial intent.

Analyzing Literary Devices in Quotes

Many through the tunnel quotes showcase Doris Lessing's use of literary devices like imagery, symbolism, and metaphor. For example, the vivid descriptions of underwater scenes employ imagery that enhances the story's emotional impact.

Structuring Arguments with Quotes

Incorporating quotes strategically helps in constructing clear and persuasive literary arguments. Presenting a quote followed by detailed analysis strengthens the credibility and depth of any critical essay.

Memorable Quotes and Their Impact on Readers

The lasting impact of "Through the Tunnel" is partly due to its memorable and evocative quotes. This section discusses how these quotations resonate with readers and contribute to the story's enduring popularity.

Quotes That Evoke Emotional Responses

Certain quotes elicit strong emotional reactions, such as empathy for Jerry's struggle or admiration for his courage. These moments engage readers on a personal level, making the story relatable and impactful.

Quotes That Inspire Reflection and Growth

Many readers find inspiration in quotes that speak to overcoming obstacles and achieving self-growth. Phrases like "He had passed through the tunnel and come out transformed" encourage introspection and motivation.

List of Notable Through the Tunnel Quotes

through the tunnel quotes: Through the Tunnel Bonnie Lyon, 2018-02-28 This guide will help #MeToo and #TimesUp survivors move from the terrible darkness of the past to a bright new future. - Gail M. Woodward, author of Write the Book You're Meant to Write You don't need to keep suffering from deep-seated pain. Instead, you can start feeling protected, safe and deeply heard today. Dr. Bonnie Lyon will show you how. In Through the Tunnel: Unlock the Pain of Your Past and Find the Courage to Grow Up, Not Just Old, Dr. Bonnie will guide you toward overcoming old traumas and finally healing your emotional pain. You will learn: •The wisdom, solutions, and tools you need to start embracing life and finding the light through the dark. •How to increase the volume of your own voice as you drown out negative influences. •Essential truths that will lead to emotional healing. •How to join a new sisterhood filled with strong, resilient women who have overcome their own pain. "Change and emotional healing only become possible when we acknowledge our pain and own it, have the courage and determination to get to the root of it, and stop going through the tunnel alone," says Dr. Bonnie. There's no reason to keep suffering from old emotions if you don't want to. Hope and healing are achievable regardless of your life circumstances. Through the Tunnel allows everyone to benefit from Dr. Bonnie's methods and paths to emotional healing. 10% of the profits of this book will go to #TimesUp to spread the justice and healing.

through the tunnel quotes: The Early History of Railway Tunnels Hubert Pragnell, 2024-08-30 To the early railway traveller, the prospect of travelling to places in hours rather than days hitherto was an inviting prospect, however a journey was not without its fears as well as excitement. To

some, the prospect of travelling through a tunnel without carriage lighting, with smoke permeating the compartment and the confined noise was a horror of the new age. What might happen if we broke down or crashed into another train in the darkness? To others it was exciting, with the light from the footplate flickering against the tunnel walls or spotting the occasional glimpses of light from a ventilation shaft. To the directors of early railway companies, planning a route was governed by expense and the most direct way. Avoiding hills could add miles but tunnelling through them could involve vast expense as the Great Western Railway found at Box and the London and Birmingham at Kilsby. Creating a cutting as an alternative was also costly not only in labour and time, but also in compensation for landowners, who opposed railways on visual and social grounds having seen their land divided by canals. Construction involved millions of bricks or blocks of stone for sufficiently thick walls to withstand collapse. However, the entrance barely seen from the carriage window might be an impressive Italianate arch as at Primrose Hill, or a castellated portal worthy of the Middle Ages as at Bramhope. This book sets out to tell the story of tunnelling in Britain up to about 1870, when it was a question of burrowing through earth and rock with spade and explosive powder, with the constant danger of collapse or flooding leading to injury and death. It uses contemporary accounts, from the dangers of railway travel by Dickens to the excitement of being drawn through the Liverpool Wapping Tunnel by the young composer Mendelssohn. It includes descriptions from early railway company guide books, newspapers and diaries. It also includes numerous photographs and colored architectural elevations from railway archives.

through the tunnel quotes: *Speaking with Spirit* Agapi Stassinopoulos, 2022-01-18 A collection of 52 prayers and stories to inspire, unlock inner strength, and navigate daily life with spirit, from the author of *Wake Up to the Joy of You*. "Prayer is a bridge to your truest self that you can access at any time."—ARIANNA HUFFINGTON "This lovely book vibrates with wisdom."—JESSICA ALBA "Read this book to discover the power of prayer."—GABRIELLE BERNSTEIN Prayer is your ongoing conversation with something larger than yourself. And similar to a mindfulness practice, a daily prayer practice has the power to change your life. Regardless of whether or not you practice organized religion, this gift is available to you as a way to unlock greater awareness and inner strength. With her signature joy and heartfelt wisdom, Agapi Stassinopoulos presents a non-denominational guide to harnessing this power of prayer in your life and using it to find connection, peace, and gratitude. With a structure and style similar to her bestselling meditation book *Wake Up to the Joy of You*, Agapi encourages us to pray for everything, not just for special occasions. You can get your God fix anytime and anywhere: at the gym or on the train, when you're on a deadline or when you're enjoying your first cup of coffee. Accompanied by her personal stories, she shares fifty-two prayers for a year of personal transformation, from navigating relationships with family and friends and expanding past your fears to uncovering your true self and releasing your inner creativity. With prayers written with her unique poetry, verve, and spiritual insight, Agapi guides us in transforming the fear, worry, and anxiety of everyday life into conscious moments of peace and calm. Ultimately, she is teaching us the language of our own soul and the larger energy out there, whatever you want to call it, which is always available to us if we know how to listen and to speak with spirit.

through the tunnel quotes: *The Oxford Dictionary of Quotations* Elizabeth M. Knowles, 1999 This major new edition of *The Oxford Dictionary of Quotations* offers the broadest and most up-to-date coverage of quotations available today. Now with 20,000 quotations arranged by author, this is Oxford's largest quotations dictionary ever. As well as quotations from traditional sources, and with improved coverage of world religions and classical Greek and Latin literature, this foremost dictionary of quotations now covers areas such as proverbs and nursery rhymes. For the first time there are special sections for Advertising Slogans, Epitaphs, Film Lines, and Misquotations, which bring together topical and related quotes, and allow you to browse through the best quotations on a given subject. In this new fifth edition there is enhanced accessibility with a new thematic index to help you find the best quotes on a chosen subject, more in-depth details of the earliest traceable source, an extensive keyword index, and biographical cross-references, so you will easily be able to find quotations for all occasions, and identify who said what, where, and when.

through the tunnel quotes: *Paul Thomas Anderson: Masterworks* Adam Nayman, 2020-10-20 "A master class of the masterworks of Paul Thomas Anderson" (*Variety Magazine*), Adam Nayman's full-color coffee-table gift book explores the creative journey of the multiple Academy Award-nominated writer and director. Foreword by the Safdie Brothers "Full of lavish photographs from his best-loved films." —A. Frame Paul Thomas Anderson: *Masterworks* is a fact-filled treasure-trove for movie fans; it explores Anderson's career, including the critically acclaimed, award-winning movies: *Hard Eight* (1996) *Boogie Nights* (1997) *Magnolia* (1999) *Punch Drunk Love* (2002) *There Will Be Blood* (2007) *The Master* (2012) *Inherent Vice* (2014) *Phantom Thread* (2017) Anderson has been described as "one of American film's modern masters" and "the foremost filmmaking talent of his generation." His films have received more than 25 Academy Award nominations, and he has worked closely with many of the most accomplished actors of our time, including Lesley Ann Manville, Julianne Moore, Daniel Day-Lewis, Joaquin Phoenix, and Philip Seymour Hoffman. Film critics and fans are constantly looking forward to what he might create next and discuss the meaning and technical aspects of his movies and their most famous scenes. Mark Wahlberg in *Boogie Nights*, Daniel Day-Lewis in *There Will be Blood*, and Joaquin Phoenix in *The Master* are not just memorable movie performances, they are the stuff of Hollywood legend. It also covers his music videos for Radiohead and his early short films. All are examined and illustrated in detail. Anderson's influences; his style; and the recurring themes of alienation, reinvention, ambition, and destiny that course through his movies are analyzed and supplemented by firsthand interviews with his closest collaborators—and illuminated by film stills, archival photos, original illustrations, and an appropriately psychedelic design aesthetic. Paul Thomas Anderson: *Masterworks* is a tribute to the dreamers, drifters, and evil dentists who populate his world.

through the tunnel quotes: *Chronicles Through the Centuries* Blaire A. French, 2020-06-22 Offers a history of the interpretation of *Chronicles* in theology, worship, music, literature and art from the ancient period to the present day, demonstrating its foundational importance within the Old Testament Explores important differences between the same topics and stories that occur in *Chronicles* and other biblical books such as *Genesis* and *Kings*, including the pious depiction of David, the clear correlation between moral behavior and divine reward, and the elevation of music in worship Examines the reception of *Chronicles* among its interpreters, including rabbis of the Talmud, Jerome, Martin Luther, Johann Sebastian Bach, Cotton Mather, and others, Features broad yet comprehensive coverage that considers Jewish and Christian, ancient and modern, and secular and pop cultural interpretations Organizes discussions by verse to illuminate each one's changing meaning across the ages

through the tunnel quotes: *Engineering & Contracting* , 1917

through the tunnel quotes: *Engineering and Contracting* , 1917

through the tunnel quotes: *New York Underground* Julia Solis, 2020-10-28 Did alligators ever really live in New York's sewers? What's it like to explore the old aqueducts beneath the city?

How many levels are beneath Grand Central Station? And how exactly did the pneumatic tube system that New York's post offices used to employ work? In this richly illustrated historical tour of New York's vast underground systems, Julia Solis answers all these questions and much, much more. New York Underground takes readers through ingenious criminal escape routes, abandoned subway stations, and dark crypts beneath lower Manhattan to expose the city's basic anatomy. While the city is justly famous for what lies above ground, its underground passages are equally legendary and tell us just as much about how the city works.

through the tunnel quotes: *Border Tunnels* Juan Llamas-Rodriguez, 2023-10-17 A comparative media analysis of the representation of the U.S.-Mexico border Border tunnels at the U.S.-Mexico border are ubiquitous in news, movies, and television, yet, because they remain hidden and inaccessible, the public can encounter them only through media. Analyzing the technologies, institutional politics, narrative tropes, and aesthetic decisions that go into showing border tunnels across multiple forms of media, Juan Llamas-Rodriguez argues that we cannot properly address border issues without attending to—and fully understanding—the fraught relationship between their representation and reality. Llamas-Rodriguez reveals that every media text about border tunnels, whether meant for entertainment, cable news, video games, or speculative design, implicitly takes a position on the politics of the border. The examples laid out in *Border Tunnels* will teach readers how to look differently at the border as it is commonly presented in various forms of media, from ABC's *Nightline* and CNN's Anderson Cooper 360° to reality TV, propaganda videos, and even digital effects in Hollywood action films. Llamas-Rodriguez examines how creative decisions in the production, promotion, and distribution of these media texts either emphasize or downplay issues such as border security, racial dynamics of migration, and sustainability of the borderlands. Focusing on tunnels to show how media representations can influence all kinds of audiences—even those physically near the border—*Border Tunnels* helps us make sense of this pressing social issue, ultimately advancing understanding of the U.S.-Mexico border in all of its complexity and precariousness.

through the tunnel quotes: *Quote* , 1960

through the tunnel quotes: *Walking the Bones of Britain* Christopher Somerville, 2023-08-24

'Somerville's infectious enthusiasm and wry humour infuse his journey from the Isle of Lewis to southern England, revealing our rich geological history with vibrant local and natural history' Observer 'A meticulous exploration of the ground beneath our feet. Glorious' Katharine Norbury 'A remarkable achievement' Tom Chesshyre 'His writing is utterly enticing' Country Walking The influence Britain's geology has had on our daily lives is profound. While we may be unaware of it, every aspect of our history has been affected by events that happened ten thousand, a million, or a thousand million years ago. In *Walking the Bones of Britain*, Christopher Somerville takes a journey of a thousand miles, beginning in the far north, at the three-billion-year-old rocks of the Isle of Lewis, formed when the world was still molten, and travelling south-eastwards to the furthest corner of Essex, where new land is being formed. Crossing bogs, scaling peaks and skirting quarry pits, he unearths the stories bound up in the layers of rock beneath our feet, and examines how they have influenced everything from how we farm to how we build our houses, from the Industrial Revolution to the current climate crisis. Told with characteristic humour and insight, this gripping exploration of the British landscape and its remarkable history cannot fail to change the way you see the world beyond your door. 'Somerville is a walker's writer' Nicholas Crane

through the tunnel quotes: *The Return* Daniel Treisman, 2012-01-10 Assesses modern-day Russia to consider such topics as whether the collapse of the Soviet Union was preventable, Yeltsin's impact on political order, and Putin's public popularity.

through the tunnel quotes: *The Story of Crossrail* Christian Wolmar, 2018-11-01 The story of an engineering marvel of the twenty-first century, from Britain's bestselling railway writer. Crossrail, first conceived just after the Second World War in the era of Attlee and Churchill, has cost more than £15bn and is expected to serve 200 million passengers annually. From Reading and

Heathrow in the west, the Elizabeth line will extend to Shenfield and Abbey Wood in the east, including 42 kilometres of new tunnels dug under central London. The author sets out the complex and highly political reasons for Crossrail's lengthy gestation, tracing the troubled progress of the concept from the rejection of the first Crossrail bill in the 1990s through the tortuous parliamentary processes that led to the passing of the Crossrail Act of 2008. He also recounts in detail the construction of this astonishing new railway, describing how immense tunnel-boring machines cut through a subterranean world of rock and mud with unparalleled accuracy that ensured none of the buildings overhead were affected. A shrewdly incisive observer of postwar transport policy, Wolmar pays due credit to the remarkable achievement of Crossrail, while analysing in clear-eyed fashion the many setbacks it encountered en route to completion. With a new afterword to mark the opening of Crossrail in 2022.
