

till we have faces meaning

till we have faces meaning is a phrase that carries deep philosophical, literary, and symbolic significance. Originating from C.S. Lewis's novel **Till We Have Faces**, the phrase explores themes of identity, self-awareness, and the human condition. Understanding the till we have faces meaning requires delving into the novel's narrative, its allegorical elements, and the broader implications of "having a face" in a metaphorical sense. This article will provide a comprehensive analysis of the till we have faces meaning, including its literary context, symbolic interpretations, and its relevance in contemporary discussions about identity and authenticity. Additionally, we will explore the novel's plot, characters, and how the phrase reflects the journey toward self-recognition and acceptance. The following sections will guide readers through these aspects systematically.

- Literary Context of Till We Have Faces
- Symbolism and Interpretation of the Phrase
- Thematic Analysis of Identity and Self-Awareness
- Character Study: Faces and Personal Transformation
- Contemporary Relevance of Till We Have Faces Meaning

Literary Context of Till We Have Faces

The phrase till we have faces meaning is deeply rooted in the literary work by C.S. Lewis, published in 1956. The novel is a retelling of the myth of Cupid and Psyche from the perspective of Psyche's sister, Orual. Lewis's reinterpretation focuses on themes of love, faith, and self-perception, setting the stage for a profound exploration of what it means to truly "have a face." In the context of the novel, "having a face" metaphorically signifies achieving genuine self-awareness and the ability to present one's true self to the divine and to others. The literary context is essential to grasp the full depth of the phrase, as it connects mythological narrative with philosophical questions about human nature and spirituality.

Background of the Novel

Till We Have Faces is a unique blend of fantasy, mythology, and theological reflection. C.S. Lewis, known for his Christian apologetics and the **Chronicles of Narnia**, ventures into myth retelling with this novel to explore the internal psychological and spiritual struggles of the protagonist. The story is set in the ancient kingdom of Glome, where Orual serves as queen and narrator. The narrative framework allows readers to witness Orual's transformation from bitterness and misunderstanding to enlightenment and acceptance, which is central to the till we have faces meaning.

Mythological Foundations

The novel draws heavily from the classical myth of Cupid and Psyche, a tale that symbolizes the soul's journey toward divine love and knowledge. Lewis's adaptation focuses on the human aspects of the myth, particularly the challenges of perception and the limitations of human understanding. This mythological foundation enriches the title we have faces meaning by linking it to universal themes of love, sacrifice, and revelation.

Symbolism and Interpretation of the Phrase

The phrase till we have faces meaning can be interpreted symbolically in multiple ways. At its core, it refers to the process of attaining a true identity that is recognized both by oneself and by others. Lewis uses "faces" as a metaphor for selfhood, honesty, and the capacity to confront reality without illusions. The symbolism extends to spiritual authenticity and the reconciliation between human beings and the divine.

Faces as a Metaphor for Identity

In the novel, "having a face" signifies more than physical appearance; it embodies the concept of self-knowledge and genuine existence. Orual's journey is marked by her struggle to see herself clearly and to understand the gods and the nature of love. Only when she "has a face" does she achieve the ability to truly communicate and connect with the divine and others. This metaphor highlights the importance of authenticity in personal identity.

Spiritual and Philosophical Dimensions

The title we have faces meaning also encompasses spiritual awakening and philosophical insight. The notion that one must have a face to be fully human suggests that self-awareness and acceptance are prerequisites for meaningful relationships and spiritual fulfillment. Lewis's narrative emphasizes that without this authentic selfhood, individuals live in a state of partial blindness or self-deception.

Thematic Analysis of Identity and Self-Awareness

Identity and self-awareness are central themes underpinning the title we have faces meaning. The novel challenges readers to consider how individuals perceive themselves and others, and how this perception shapes their experience of reality. The journey toward "having a face" involves confronting uncomfortable truths and shedding false identities imposed by fear, pride, or misunderstanding.

Self-Deception and Its Consequences

Orual's initial failure to see her true self illustrates the dangers of self-deception. She hides behind a mask of bitterness and resentment, which prevents her from recognizing the love and truth embodied by Psyche and the gods. This theme underscores the psychological barriers to self-awareness and the emotional cost of living without a true face.

Transformation Through Recognition

The process of gaining a face is transformative. As Orual learns to face her shortcomings and accept reality, she undergoes a profound change in perspective. This transformation reflects the broader human capacity for growth through self-reflection and acceptance, reinforcing the till we have faces meaning as a metaphor for personal evolution.

Character Study: Faces and Personal Transformation

The characters in **Till We Have Faces** serve as embodiments of the novel's central themes and the till we have faces meaning. Orual, Psyche, and the god of love each represent different aspects of identity, love, and truth, providing a rich tapestry for analyzing how "faces" relate to personal transformation.

Orual's Journey

Orual is the novel's protagonist and narrator, whose complex character arc is crucial to understanding the till we have faces meaning. Initially blinded by jealousy and bitterness, Orual's lack of a "face" symbolizes her inability to see truth clearly. Her eventual acceptance of her flaws and her understanding of divine love mark her attainment of a true face, representing self-realization and spiritual enlightenment.

Psyche as the Ideal Face

Psyche, Orual's sister, embodies innocence, beauty, and divine love. She represents the ideal face—untainted by ego or deception. Psyche's journey and ultimate union with the god of love contrast with Orual's path, highlighting different approaches to identity and meaning within the narrative.

The God of Love's Role

The god of love in the novel serves as a catalyst for transformation and truth. His elusive presence challenges the characters to confront their limitations and misconceptions. The god's demand for genuine faces symbolizes the divine requirement for honesty and authenticity in human relationships, deepening the till we have faces meaning.

Contemporary Relevance of Till We Have Faces Meaning

The till we have faces meaning remains relevant in contemporary discussions about identity, authenticity, and self-awareness. In a world where social masks and personas are often employed in personal and professional contexts, the metaphor of "having a face" encourages deeper reflection on genuine selfhood and interpersonal honesty.

Identity in Modern Society

Modern society frequently challenges individuals to navigate multiple identities, from social media personas to professional roles. The till we have faces meaning underscores the importance of integrating these facets into a coherent and authentic self. This concept resonates with psychological theories about self-concept and the search for authenticity in a fragmented world.

The Search for Authenticity

Authenticity is a valued ideal in contemporary culture, often linked to mental health and well-being. The metaphor of "having a face" aligns with this pursuit, suggesting that true fulfillment arises from self-acceptance and honest expression. The novel's themes encourage readers to examine the masks they wear and to strive for genuine connection.

Lessons for Personal Growth

The till we have faces meaning offers practical lessons for personal development, including:

- Recognizing and confronting self-deception
- Embracing vulnerability as a path to authenticity
- Understanding the importance of empathy and genuine relationships
- Accepting imperfections as part of the true self
- Seeking spiritual or philosophical insight to deepen self-awareness

Frequently Asked Questions

What is the main meaning of 'Till We Have Faces' by C.S. Lewis?

The main meaning of 'Till We Have Faces' revolves around self-awareness and the human struggle to truly understand oneself and others. It explores themes of identity, love, faith, and the nature of the divine.

Why is the title 'Till We Have Faces' significant?

The title 'Till We Have Faces' signifies the idea that humans must confront their true selves and gain self-knowledge before they can fully understand the divine or love genuinely. It suggests that only by shedding illusions and false identities can one truly 'have faces.'

How does 'Till We Have Faces' explore the theme of identity?

'Till We Have Faces' explores identity through the protagonist's journey of self-discovery, revealing how personal pride, envy, and denial can distort one's true self. The story shows that accepting and understanding one's true nature is essential for spiritual growth.

What role does the concept of 'faces' play in the novel's meaning?

In the novel, 'faces' symbolize true selfhood and authenticity. The absence of a face represents illusions, falsehoods, or incomplete understanding of oneself. Gaining a 'face' means achieving genuine self-awareness and a more profound connection with others and the divine.

How does C.S. Lewis use mythology to convey the meaning in 'Till We Have Faces'?

C.S. Lewis uses the myth of Cupid and Psyche as a framework to explore deeper psychological and spiritual themes. By reimagining this myth, he delves into human emotions, faith struggles, and the quest for authentic love and understanding.

What is the spiritual meaning behind 'Till We Have Faces'?

Spiritually, 'Till We Have Faces' signifies the journey towards humility, repentance, and acceptance of divine truth. It emphasizes that spiritual enlightenment requires facing one's flaws and embracing vulnerability to truly connect with God.

How does the protagonist's transformation relate to the

meaning of the novel?

The protagonist's transformation from prideful and resentful to self-aware and accepting reflects the novel's core message about the necessity of inner change. Her journey illustrates that true understanding and love come only after confronting and overcoming personal barriers.

Can 'Till We Have Faces' be interpreted as a commentary on human relationships?

Yes, the novel can be seen as a commentary on human relationships by highlighting the importance of honesty, empathy, and self-knowledge. It shows how misunderstandings and lack of genuine connection often stem from people wearing metaphorical 'masks' instead of revealing their true selves.

Additional Resources

1. *Myth and Meaning: Cracking the Code of Till We Have Faces*

This book delves into the symbolic and thematic layers of C.S. Lewis's *Till We Have Faces*, exploring how the novel reinterprets the ancient myth of Cupid and Psyche. It analyzes the transformation of the protagonist, Orual, and the spiritual and psychological insights embedded in the story. The book offers readers a comprehensive understanding of the novel's exploration of love, identity, and faith.

2. *The Power of Myth* by Joseph Campbell

Joseph Campbell's classic work examines universal myths and their meanings across cultures, providing a framework to understand stories like *Till We Have Faces*. Campbell's insights into archetypes and the hero's journey illuminate the deeper significance of mythological narratives. This book is essential for readers interested in the symbolic foundations that underpin Lewis's novel.

3. *Expressions of the Soul: The Psychological Depths of Till We Have Faces*

Focusing on the psychological dimensions of Lewis's novel, this book explores concepts of self-perception, inner conflict, and transformation. It interprets Orual's journey as an allegory for personal growth and the struggle to confront one's true self. Readers gain a nuanced perspective on how the novel addresses themes of love, jealousy, and redemption.

4. *Faith and Doubt in the Works of C.S. Lewis*

This scholarly work surveys the recurring themes of faith, doubt, and divine mystery in Lewis's writings, with a significant focus on *Till We Have Faces*. It investigates how Lewis grapples with religious questions through fictional narrative, particularly the tension between human understanding and divine will. The book is valuable for those interested in the theological underpinnings of the novel.

5. *The Faces We Wear: Identity and Transformation in Literature*

This collection of essays explores how literature portrays the concept of identity and the masks people wear, a central theme in *Till We Have Faces*. Various essays analyze characters' struggles with self-acceptance and the revelation of true identity. It provides broader literary context that enhances the understanding of Orual's character development.

6. *Love and Sacrifice: Themes in Mythological Retellings*

This book examines the recurring themes of love, sacrifice, and redemption in myth retellings, including Lewis's *Till We Have Faces*. It compares different versions of the Cupid and Psyche myth

and discusses how authors reinterpret these themes to reflect contemporary concerns. The book highlights the enduring relevance of these ancient stories.

7. *The Divine and the Human: Bridging Worlds in Till We Have Faces*

Analyzing the interface between the mortal and the divine in Lewis's novel, this book explores how *Till We Have Faces* portrays human encounters with the sacred. It emphasizes the novel's exploration of faith, misunderstanding, and the limits of human perception. The work offers a theological and philosophical lens through which to view the narrative.

8. *Reimagining Myth: Modern Adaptations and Their Meanings*

This study reviews various modern adaptations of classical myths, with a chapter dedicated to *Till We Have Faces*. It discusses how contemporary authors reshape mythic stories to address modern issues such as identity, spirituality, and morality. The book situates Lewis's novel within the larger trend of mythic reinterpretation in literature.

9. *Voices from the Past: The Role of Storytelling in Till We Have Faces*

This book explores the importance of narrative and storytelling in constructing meaning within Lewis's novel. It analyzes Orual's role as a narrator and how her perspective shapes the reader's understanding of truth and reality. The book offers insights into the power of storytelling as a means of self-discovery and revelation.

till we have faces meaning: Reason and Imagination in C.S. Lewis Peter J. Schakel, 1984
This is a print on demand book and is therefore non- returnable. The first study of C. S. Lewis to offer a detailed examination of Till We Have Faces, Peter J. Schakel's new book is also the first to explore the tension between reason and imagination that significantly shaped Lewis's thinking and writing. Schakel begins with a close analysis of Till We Have Faces which leads the reader through the plot, clarifying its themes as it discusses structure, symbols, and allusions. The second part of the book surveys Lewis's works, tracing the tension between reason and imagination. In the works of the thirties and forties reason is in the ascendant; from the early fifties on, in works such as the Chronicles of Narnia, there is an increased emphasis on imagination -- which culminates in the fine myth retold, Till We Have Faces. Imagination and reason are reconciled, finally, in works of the early sixties such as A Grief Observed and Letters to Malcolm.

The journal includes articles, review essays, book reviews, film reviews and play reviews, bibliographical material, poetry, interviews, editorials, and announcements of Lewis-related conferences, events and publications. Its readership is aimed at academic scholars from a wide variety of disciplines, as well as learned

non-scholars and Lewis enthusiasts. At this time, *Sehnsucht* is published once a year.

till we have faces meaning: Surprised by C.S. Lewis, George MacDonald & Dante Kathryn Ann Lindskoog, 2001 Here are dozens of surprising aspects of the life and writings of C. S. Lewis, George MacDonald, and Dante. (George MacDonald loved the writings of Dante, and C. S. Lewis loved the writings of both Dante and MacDonald.) Contents range from the quick, surprising fun of *Who Is This Man?* to the practical, down-to-earth instruction of C. S. Lewis's *Free Advice to Hopeful Writers* and the adventurous scholarship of *Spring in Purgatory* and *Mining Dante*.

till we have faces meaning: The Cambridge Companion to C. S. Lewis Robert MacSwain, Michael Ward, 2010-09-09 A distinguished academic, influential Christian apologist, and best-selling author of children's literature, C. S. Lewis is a controversial and enigmatic figure who continues to fascinate, fifty years after his death. This Companion is a comprehensive single-volume study written by an international team of scholars to survey Lewis's career as a literary historian, popular theologian, and creative writer. Twenty-one expert voices from the University of Oxford, the University of Cambridge, Princeton University, and Wheaton College, among many other places of learning, analyze Lewis's work from theological, philosophical, and literary perspectives. Some chapters consider his professional contribution to fields such as critical theory and intellectual history, while others assess his views on issues including moral knowledge, gender, prayer, war, love, suffering, and Scripture. The final chapters investigate his work as a writer of fiction and poetry. Original in its approach and unique in its scope, this Companion shows that C. S. Lewis was much more than merely the man behind Narnia.

till we have faces meaning: The Christian World of C. S. Lewis Clyde S. Kilby, 1995-06 This study provides a perceptive and illuminating guide to C.S. Lewis's writings. Kilby examines Lewis's Christian works one by one, compares them with each other and with books by other authors, and elucidates the themes that recur throughout the main body of Lewis's writings.

till we have faces meaning: Classic Literature Made Simple Joseph Pearce, 2024-08-20 It has been said, quite correctly, that we write as well as we read. It can also be said that we think as well as we read. Since reading well is so important, it is good to get into the habit of reading good books. The better the book, the better will be our ability to think well and write well. In *Classic Literature Made Simple*, literary expert Joseph Pearce takes the reader on a guided tour of fifty great works of literature. The author of over thirty books, Pearce uses his experience of teaching literature at college level for over twenty years to show the reader the moral dimension of each work. He shows how each work presents a mystical mirror to the reader, offering insights into the meaning of life itself. Christian civilization has given birth to numerous great books as it has given birth to numerous great saints, Joseph Pearce writes. The former should be canonized as are the latter. Great books, like great saints, enrich our faith as they enrich our culture. As such, reading good books should be an integrated part of leading a good life. Those who read this book will learn how to read the great books well, which will help them to live the good life well.

till we have faces meaning: Myth and Archetype as Meaning in C.S. Lewis's Till We Have Faces Melissa P. Tarrant, 1993

till we have faces meaning: Shamanic Dimensions of Psychotherapy Robin van Löben Sels, 2019-11-13 In *Shamanic Dimensions of Psychotherapy: Healing through the Symbolic Process*, Robin van Löben Sels uniquely and honestly recounts her personal journey toward a shamanic understanding of psychotherapy. Exploring the disruptive breakthrough of visions and dreams that occurred during her analysis, personal life, and psychoanalytic training, van Löben Sels illustrates how the phenomenology of ancient shamanism is still alive and how it is a paradigm for the emergence and maturation of the psyche in people today. This original book delves into van Löben Sels's personal experience of the shaman, identifying such eruptions as a contemporary version of the archaic shaman's initiatory call to vocation. The book is split into two parts. It begins by outlining the shamanic personality in history, recognizing this as an individual that has been called out of a collectively sanctioned identity into a creative life, and the unconscious shaman complex they consequently face, especially in psychotherapeutic relationships. Practical as well as

theoretical, the second part outlines the shamanic attributes that underline psychotherapeutic relationships - silence, sound, mask, rhythm, gesture, movement, and respiration - and usefully describes how to use them as asanas for consciousness, or vehicles toward psychological awareness. With clinical examples and personal stories throughout, this book's unique Jungian perspective addresses contemporary expressions of the shaman complex in our current world. *Shamanic Dimensions of Psychotherapy: Healing through the Symbolic Process* will be essential reading for Jungian analysts and psychotherapists in practice and in training, as well as for academics and students of Jungian and post-Jungian studies. It will be especially helpful and illuminating to those who have experienced an involuntary plunge into the depths and who seek ways to articulate their experience.

till we have faces meaning: C. S. Lewis Walter Hooper, 1996 Featuring summaries of each book, the stories behind how they were written, a biography of Lewis, and entries on the key people, places, events, and ideas in Lewis's life and writings.

till we have faces meaning: Word and Story in C. S. Lewis Peter J. Schakel, Charles A. Huttar, 2008-04-14 *Word and Story* has broken new ground by enlisting well-known scholars in the examination of Lewis's ideas about language and narrative, both as stated in theory and as exemplified in practice. Never before has such clear, significant, and thorough work in these areas been brought together in one place. This compilation of sixteen essays demonstrates how an awareness of Lewis's ideas about language and narrative is essential to a full understanding and appreciation of his thought and works. The contributors examine Lewis's poetry, *The Dark Woods*, *Studies in Words*, and other works that have so far received little attention, in addition to more familiar parts of the Lewis canon. By approaching Lewis primarily as an artist and theorist, not just a Christian apologist, these essays offer new insights into his creative imagination, critical acumen, and his craftsmanship as a writer. One comes away from this book with a fresh vision and with heightened expectation, eager to return to Lewis's works.

till we have faces meaning: True Myth James W Menzies, 2015-02-26 *True Myth* examines the meaning and significance of myth as understood by C.S. Lewis and Joseph Campbell and its place in the Christian faith in a technological society. C.S. Lewis defined Christianity, and being truly human, as a relationship between the personal Creator and his creation mediated through faith in his son, Jesus. The influential writer and mythologist Joseph Campbell had a different perspective, understanding Christianity as composed of mythical themes similar to those in other religious and secular myths. While accepting certain portions of the biblical record as historical, Campbell taught the theological and miraculous aspects as symbolic - as stories in which the reader discovers what it means to be human today. In contrast, Lewis presented the theological and the miraculous in a literal way. Although Lewis understood how one could see symbolism and lessons for life in miraculous events, he believed they were more than symbolic and indeed took place in human history. In *True Myth*, James W. Menzies skilfully balances the two writers' differing approaches to guide the reader through a complex interaction of myth with philosophy, media, ethics, history, literature, art, music and religion in a contemporary world.

till we have faces meaning: Sehnsucht: The C. S. Lewis Journal Grayson Carter, 2010-06-01 *Sehnsucht: The C. S. Lewis Journal*, established by the Arizona C. S. Lewis Society in 2007, is the only peer-reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world. It exists to promote literary, theological, historical, biographical, philosophical, bibliographical and cultural interest (broadly defined) in Lewis and his writings. The journal includes articles, review essays, book reviews, film reviews and play reviews, bibliographical material, poetry, interviews, editorials, and announcements of Lewis-related conferences, events and publications. Its readership is aimed at academic scholars from a wide variety of disciplines, as well as learned non-scholars and Lewis enthusiasts. At this time, *Sehnsucht* is published once a year.

till we have faces meaning: The Divine Face in Four Writers Maurice Hunt, 2017-06-29 A comparative study that explores the influence of Christian and Classical ideas about the divine face in the writing of four major writers in Western literature--

till we have faces meaning: Queering Faith in Fantasy Literature Taylor Driggers, 2022-01-13 Fantasy literature inhabits the realms of the orthodox and heterodox, the divine and demonic simultaneously, making it uniquely positioned to imaginatively re-envision Christian theology from a position of difference. Having an affinity for the monstrous and the 'other', and a preoccupation with desires and forms of embodiment that subvert dominant understandings of reality, fantasy texts hold hitherto unexplored potential for articulating queer and feminist religious perspectives. Focusing primarily on fantastic literature of the mid- to late twentieth century, this book examines how Christian theology in the genre is dismantled, re-imagined and transformed from the margins of gender and sexuality. Aligning fantasy with Derrida's theories of deconstruction, Taylor Driggers explores how the genre can re-figure God as the 'other' excluded and erased from theology. Through careful readings of C.S. Lewis's *Till We Have Faces*, Angela Carter's *The Passion of New Eve*, and Ursula K. Le Guin's *The Left Hand of Darkness* and the *Earthsea* novels, Driggers contends that fantasy can challenge cis-normative, heterosexual, and patriarchal theology. Also engaging with the theories of Hélène Cixous, Luce Irigaray, Marcella Althaus-Reid, and Linn Marie Tonstad, this book demonstrates that whilst fantasy cannot save Christianity from itself, nor rehabilitate it for marginalised subjects, it confronts theology with its silenced others in a way that bypasses institutional debates on inclusion and leadership, asking how theology might be imagined otherwise.

till we have faces meaning: *C. S. Lewis and the Art of Writing* Corey Latta, 2016-11-02 C. S. Lewis and the Art of Writing is written for readers interested in C. S. Lewis, the writing life, and in becoming better writers. Lewis stands as one of the most prolific and influential writers in modern history. His life in letters offers writers invaluable encouragement and instruction in the writing craft. In Lewis, writers don't just learn how to write, they also learn something about how to live. This volume explores Lewis's life in, as well as his practice of, writing. From his avid reading life, to his adolescent dreams to be a great poet, through his creative failures, to his brilliant successes, to his constant encouragement of other writers, C. S. Lewis and the Art of Writing celebrates one of the twentieth-century's greatest authors.

till we have faces meaning: *A Far-off Country* Martha C. Sammons, 2000 *A Far-Off Country* offers a comprehensive introduction to C.S. Lewis' major works of fantasy fiction: *The Chronicles of Narnia*, *The Space Trilogy*, and *Till We Have Faces*. Drawing on Lewis' manuscripts as well as unpublished letters, Sammons provides a detailed background for the novels, including biographical information on Lewis as it pertains to each work. She thoroughly investigates the characters, symbols, and themes of the novels, highlighting the Christian doctrines that are embedded in them in addition to the many Biblical parallels. Sammons also includes numerous references from Lewis' other books, ultimately relating the ideas presented in his written works to his Christian beliefs. Exhaustive in its analysis yet accessible to a wide audience, this book will excite those in search of an insightful guide to Lewis' works.

till we have faces meaning: *Lessons from C. S. Lewis* Harvey E. Solganick Ph.D., 2018-05-23 C.S. Lewis has influenced countless Christians in their preaching and evangelical witness from the pulpit today, and he is the most quoted Christian across several Protestant denominations, known for his wit, insight, and perspectives on Christian issues from life to death and beyond. In *Lessons from C. S. Lewis*, author and professor Harvey E. Solganick presents C. S. Lewis from an evangelical perspective concerning his stand on philosophical and ethical issues relevant to evangelical Christians today. First providing a compelling history of Lewis's youth and spiritual maturation, Dr. Solganick also considers some of the unexplored tenets of C. S. Lewis's literary, philosophical, and theological legacy, focusing especially on the implications of Lewis's work for evangelism and discipleship. How did this one man influence so many readers of all ages and backgrounds, from the most highly educated to the common layperson? How did this man, his life, and his writings help atheists, agnostics, humanists, reluctant converts, mystics, and anti-Christians to seek Christ? Explore in *Lessons from C. S. Lewis* an answer, and perhaps be surprised by joy and inspired by Lewis to find your soul, be saved, evangelize others, and grow in Christian discipleship.

till we have faces meaning: Apologetics at the Cross Joshua D. Chatraw, Mark D. Allen, 2018-05-15 2019 Outreach Magazine Resource of the Year: Apologetics • 2018 The Gospel Coalition Book Award: Evangelism & Apologetics Apologetics at the Cross describes a much-needed approach to defending Christianity that uses Jesus as a model and the letter of 1 Peter as a guiding text. This is a guidebook for how to defend Christianity with Christ-like gentleness and respect toward those who persecute the faith, making you a stronger witness to the good news of the gospel than many other apologetics books that focus on crafting unbreachable arguments. Joshua D. Chatraw and Mark D. Allen first provide an introduction to the rich field of apologetics and Christian witness, acquainting students and lay learners with the rich history, biblical foundation, and ongoing relevance of apologetics. Unique in its approach, Apologetics at the Cross: Presents the biblical and historical foundations for apologetics. Explores various contemporary methods for approaching apologetics. Gives practical guidance in how to chapters that feature many real-life illustrations. But their approach pays special attention to the attitude and posture of the apologist, outlining instructions for the Christian community centered on reasoned answers, a humble spirit, and joy; rather than anger, arrogance, and aggression. Chatraw and Allen equip Christians to engage skeptics with the heart as well as the mind. Conversational in tone and balanced in approach, Apologetics at the Cross provides a readable introduction to the field of apologetics. You'll be informed and equipped for engaging a wide range of contemporary challenges with the best in Christian thought.

till we have faces meaning: The Soul of C.S. Lewis Jerry Root, Wayne Martindale, Linda Washington, 2010 Drawing inspiration from Lewis's fiction and nonfiction, The Soul of C. S. Lewis is a devotional-style book that encourages reflection and thought. It includes 240 meditations designed for the reader's personal growth. C. S. Lewis opened up more than just wardrobe doors—he opened the doors to human experience, new worlds of ideas, and imaginative discoveries. His honest observations about life highlight the interconnectedness of Scripture to real life and encourage a worldview that is integrated and harmonized.
