who is khadijah fatima barkatulla: *Khadija* Reşit Haylamaz, 2007 Exploring the birth period of Islam, this biography focuses on one of the most prominent and respected Muslim women in history, Khadija, the wife of the Prophet Muhammad. who is khadijah fatima barkatulla: *Noble Women of Faith* Shahada Sharelle Haqq, 2012-04-16 Islamic tradition praises Asiyah, Mary, Khadijah, and Fatimah as the four women who showed monumental examples of excellence in faith. While Mary, the mother of Jesus, is the only woman mentioned by name in the Qur'an, the other three are mentioned in the sayings of the Prophet Muhammad, peace be upon him. Asiyah was the wife of Pharaoh and she was the one who protected Moses in the palace from the wrath of her furious husband. Mary is the epitome of purity and submission, who was miraculously blessed with Jesus, and she stood firm against all kinds of slanders and accusations. Khadijah was the first believer to the Prophet Muhammad. She spent all

her fortune in her husband's cause, including her life. Fatimah, the Prophet's daughter, is the person through whom the Prophet's generation still continues. This book depicts the lives of these four remarkable women of the human history.

She was, with Abu Talib, one of the two greatest supporters of Islam and the Muslims. She played a heavenly role in the history of nascent Islam. Exploring the gestation period of Islam, this biography focuses on the remarkable life story of one of the four greatest women of all time, one who wholeheartedly proclaimed her submission to the divine message delivered through the Prophet Muhammad (PBUH). My respect, love, and appreciation for her grew considerably while researching and writing this book. Addressing her unparalleled devotion to the message of the Prophet, this book shines a light on a figure who is an ideal role model for all men and women, Muslim and non-Muslim alike.

Here is the founding daughter and mother of millions in the Muslim world, whose story has barely been told in the West. What was the real position of women in Islam at the time of the Prophet? Words on her life, with its examples of affection, kindness and effectiveness in challenges, may serve as a hedge against fundamentalism.

who is khadijah fatima barkatulla: *Khadija Daughter of Khuwaylid Wife of Prophet Muhammad* Yasin Al-Jibouri et al., 2016-06-21 Very little has been written about Lady Khadija daughter of Khuwaylid, the first wife of Prophet Muhammed; therefore, the author thinks that a book like this is needed not only by the Islamic library, but by the cultural library of the world. Khadija's impact on the lives of people went far beyond her time and will always continue. This tri-lingual book contains a beautiful love story. A woman falls in love, so she composes romantic poems expressing her feelings, defying the male chauvinism of the time. If you enjoy romance, read this book. If you enjoy history, this is your book, and if you prefer biography, this is surely a biography book that takes you back to the time when the Prophet of Islam was 25 years old, that is, to A.D. 570, and its events take place in the trade metropolis of Mecca, Hijaz, describing the ways of life there and then, narrating the details of the Prophet's first and happiest marriage. It even describes to you wedding traditions at the time many of which are still alive. Another woman is discussed in this book, the most famous of the Prophet's wives, namely Aisha daughter of Abu Bakr. You will read how she led an army spurred by hatred and blind ambition in order to win the crown for her loved nephew, Abdullah ibn al-Zubayr, a relative of her husband, the Prophet of Islam. That was the Battle of the Camel of A.D. 656. It was then that Muslims killed Muslims, a shame that continues and apparently will always continue fueled by blind prejudices, intolerance and close-mindedness. This book is the story of two women: of one who loved and another who hated...

who is khadijah fatima barkatulla: *Khadijah*, 2011 This work of historical fiction chronicles the life of Khadija, the first wife of the Islam's Prophet Mohammad. It interweaves the predominate culture of her day into the telling of her life, allowing the reader to understand what it is like to be a rich merchant's daughter in Pre-Islamic Mecca surrounded by the misogynic practices of exchanging their daughters or burying female infants alive. But despite these institutional prejudices against women and girls, Khadija was called Princess of the Quraysh, Princess of the Merchants, and Mother of the Orphans. She directed men in her successful business of camel caravans and supported charitable causes which no doubt went against the social norms of her time. She was named as one of the four greatest women of all time by her third husband, Mohammad, the Prophet of Islam. This work also has extensive end-notes which further detail the aspects of Arabian culture prevalent at the time of Khadija. This work is suitable for all readers of historical fiction in outlining the life of
