Call of Duty fans are Call of Duty fans, so they're going to play this year's game regardless. They generally have their own opinions about every tiny detail, and they're unlikely to be reading this. Modern Warfare 3, however, has another ace up its sleeve: nostalgia! More specifically, it's laser-focused on reminding you of all the hours you spent playing the 2009 Modern Warfare 2. But 2023's Call of Duty is quite different from those heady days, and you probably need a little bit of a primer on how things work in this one. Call of Duty: Modern Warfare 3 comes packaged with most of what you would expect from the series, though there are a few caveats here.
