Walkthrough of Major Puzzles

As you navigate through Depulso Room 2, you will encounter numerous puzzles that require careful thought and strategy. Below, we provide a detailed walkthrough for some of the major challenges you will face.

Puzzle One: The Locked Chest

The first significant challenge involves a locked chest in the corner of the room. To unlock it, players must find the key hidden beneath a loose floorboard. Once the chest is opened, you will discover several items, including a map that provides clues for the next puzzle.

Puzzle Two: The Color Code Lock

Next, players will face a color code lock on a cabinet. The solution to the lock can be found by observing the colors of the paintings on the wall. The correct sequence is blue, red, green, and yellow. Enter this combination to unlock the cabinet and obtain a crucial item that will assist in later puzzles.

Puzzle Three: The Riddle of the Mirrors

One of the most challenging puzzles involves a series of mirrors that reflect light onto a specific spot in the room. Players must adjust the angles of the mirrors to direct the light onto a sensor. When done correctly, this will open a hidden compartment containing a vital key for the next stage of the game.

- **Communicate:** If playing with others, ensure you communicate effectively about your findings and ideas.
- **Use Hints Wisely:** While hints can be helpful, try to solve puzzles independently before relying on them.

Common Mistakes to Avoid

Avoiding common pitfalls can save you valuable time and enhance your enjoyment of the game. Here are some mistakes to watch out for:

- **Ignoring Details:** Small details often hold the key to solutions; don't overlook them.
