devil in me walkthrough: The Dirt Beneath Our Door Pamela Jones, 2025-09-09 For fans of *Educated* and *The Sound of Gravel*, *The Dirt Beneath Our Door* tells the remarkable and inspirational story of how a mother escaped a fundamentalist Mormon cult with her eight youngest children, only to struggle with newfound freedom in an America she barely knew. Sixty-one siblings. Five sister wives. Nine children. And one carefully hidden dream: To escape the violent, misogynistic, fundamentalist Mormon cult that kept Pamela Jones perpetually pregnant, broken, and brutalized. Today, Pamela Jones is a self-made millionaire and successful CEO. But growing up, she never could have imagined her life would turn out that way. From a young age, she was told her only purpose in life was to be her husband's handmaid and bear him as many children as possible. While she endured fear, poverty, deprivation, and abuse, her family constantly moved between rural desert compounds in the United States and Mexico, one step ahead of the law and one step ahead of Ervil LeBaron, aka "The Mormon Charles Manson"—the cult's frightening leader whose brutal blood atonements left a trail of bodies in his wake. By the time she was newly married at fifteen, Pamela's husband forbade her any contact with outsiders, including her own family. She'd been raised to believe that her throat would be slit and her blood sprinkled on the soil if she ever tried to escape.

But in 2000 at age thirty-four, she knew that if she and her children didn't escape, they would die. *The Dirt Beneath the Door* follows their desperate flight across the Mexican border with only the clothes on their backs, two vehicles and two tanks of gas, a five-dollar bill, and two credit cards her husband had secretly taken out in her name. Once settling in Minnesota, Pamela must use her own resilience and grit as a mother to support her children and build an independent life for her family with less than a fifth-grade education—all while exploring the life and liberties that had been denied to her for so long. An unforgettable testament to the power of hope and resilience, *The Dirt Beneath Our Door* is an epic and harrowing tale of finding freedom, believing in yourself, and achieving the American Dream.

devil in me walkthrough: [The Box of Possibilities](#) Kari Kilgore, 2021-02-14 A Magical Second Chance Quinn Hedges treasures her life and her friends in St. Louis. A chance to repay kindness from her past seems risk-free. Until a love from her past shows up. Doug Linton finally gets his life together. Still he wonders about his one true love from a long time ago. Seeing her again feels worth the risk. Neither expects a bizarre heirloom, and the potential of finally getting it right, to take them into the strange. Can Quinn and Doug find their way through possibilities to each other? An excerpt from *The Box of Possibilities: Face-to-Face with What Could Have Been* The vehicle slowly resolved itself into a Jeep Cherokee, and a fairly new, nice-looking one at that. The lack of a front license plate was odd, since Illinois and Missouri required them. From what Quinn could see of the driver, Cousin Jenny was quite tall. And had unusually broad shoulders for a woman. By the time the Cherokee's turn signal flashed for some unknown and oddly hilarious reason out here in the absolute middle of nowhere, Quinn's heart sank and sped up at the same time. She kept

looking at the passenger seat, trying to conjure the woman she'd never seen before. Perhaps accompanied by her husband or son. But the seat remained empty. And when the Jeep parked behind her car, Quinn finally stopped pretending. That was Doug. Even through the dusty windshield, there was no mistaking that smile.
