hades walkthrough: *The Heretic's Guide to Doctrine* Daboniel Hereticus, 2020-03-19 This book is intended to open Christians' minds up to other Christians and to help improve dialog between them. It deals with where a lot of them are coming from doctrinally, and the problems to be dealt with on both sides. There is a core to all true Christians that should bind us, but we cannot do that as long as we cannot be open with our differences and open-minded enough to understand why some people believe what they do. Mature Christians should be able to talk about the elephant in the room. I am of the firm belief that if everybody was coming from the Bible with what they believed, we would have a lot more agreement. (And the world would hate us all the more.) I certainly do not expect every Christian to agree with me on everything. It is not for nothing I call myself Hereticus.
