plucky squire walkthrough: Indiana Jones and the Staff of Kings Stephen Stratton, 2009
Adventurer's Handbook - As you might expect, Indy's all-new adventure on the Wii and PS2 brims with white-knuckle excitement, surprise twists, and grave danger. But fear not, true adventurer: Prima's guide truly is the "holy grail" of Indiana Jones and the Staff of Kings strategy, providing over 70 pages of detailed, step-by-step walkthrough (pg. 12-83). Rely on us to help you thwart every trap, solve every puzzle, and steer Dr. Jones toward Fortune and Glory. Secret Revelations - The Wii and PS2 versions of Indiana Jones and the Staff of Kings hold many special extras for the bold to discover (that's you!), and Prima's guide devotes nearly 20 pages to these special extras (pg. 84-101), providing handy Fortune and Glory checklists, multiplayer strategies, and complete co-op walkthroughs. One look at this info and you'll find unlocking these extras to be academic. Classic Game, Modern Guide - Adventurers who explore Indy's quest on the Wii are in for a special treat: After clearing just one Glory move in the main game, the whole of Indiana Jones and the Fate of Atlantis becomes unlocked and available to play. This classic PC title from the early 90's may be an oldie, but you'll find its puzzles and challenges are still stumpers. Fortunately, Prima's guide provides over 30 pages of step-by-step walkthrough (pg. 102-135), leading you through not one, but all three unique paths you may take through the game. Just promise us you'll at least try to solve the puzzles on your own first! Handheld Heroics - Plenty of pint-sized adventuring awaits Indy in the handheld version of Indiana Jones and the Staff of Kings, and Prima hasn't downsized any of the strategy. Flip our Wii/PS2 guide over to discover another complete guide - one that's been specially crafted for the Nintendo DS! After a bit of good-ol' adventuring know-how, the DS guide quickly opens into a thorough step-by-step walkthrough (pg. 6-45) filled with tips, puzzle solutions, and score-boosting artifact locations. Cipher Solutions - Intricate puzzle boxes known as ciphers abound in the DS version of Indiana Jones and the Staff of Kings, and many of these unique brainteasers can be quite tricky. You won't have any trouble cracking them in record time with our solutions though, which are conveniently placed in the walkthrough as the puzzles are encountered, and also in a separate section (pg. 46-57) at the end of the guide that's easy to reference when replaying the puzzles in Cipher Mode!

plucky squire walkthrough: *Sword of the Sea Game Guide* Patrick Llewellyn MC Kimble, 2025-08-19
GAME GUIDE: Full Guide & Walkthrough I think I can speak for almost everyone when I say that we all loved Journey and Abzu. Two games that set a new benchmark when it came to silent, atmospheric storytelling and visual excellence. So, when rumors emerged of a game that would combine this approach with precision platforming and THPS-style trick combos, it was only natural that the gaming world would get hyped for this plucky newcomer. But, as time tends to do, it rolled on and here we are, able to get hands-on with this epic adventure. However, while it's pretty easy to complete this game by playing casually and drinking in the vistas and majesty of each area, it has to be said, getting 100% isn't the easiest task. This is why we have put together a directory of all the essential guides needed to earn all achievements and truly become a sword master. So whether you're struggling to take down the final boss with no damage or simply missing a sneaky shell, we have you covered. I've been an avid speedrun fan for several years now, so I was pretty excited to see that Giant Squid, creators of Sword Of The Sea, decided to include a trophy for completing the game in under two hours. I'm not an actual speedrunner myself, but I do aspire to be one someday. As such, it seemed like this two hour timer for Sword Of The Sea could be a nice way to get my speedrunning sea-legs. Playing through the game naturally and casually takes around five-or-so

hours total, so shaving this down to no more than 120 minutes on a subsequent playthrough could've been a nice challenge. Turns out, however, the Speed Surfer trophy is way easier to earn than you would have ever expected. Let me explain.

plucky squire walkthrough: EASTWARD Guide & Walkthrough Pink Box, 2021-09-26 Welcome to Pink Box's Eastward aide and walkthrough! With this aide, you can expect a full walkthrough from start to finish with systems for each stage, areas, everything being equal, and significantly more! I saw this game quite a while in the past and thinking the pixel craftsmanship was extremely beautiful, however I totally disregarded the game as of not long ago. I was made to accept that this game was a turn-based RPG, which had me energized for the game, however it isn't! This game is practically the same in style to Zelda, an activity RPG game set in a dystopian world. This game was created by Pixpil, which I accept is their first game. What a fabulous method to individuals to know you. Why individuals were energized is on the grounds that the distributor is Chucklefish, designer of Wargroove (the game like Advance Wars from GBA), but at the same time they're a distributor who brought games like Risk of Rain, Stardew Valley, and Timespinner. Nothing purchase quality games not too far off.

plucky squire walkthrough: *Luigi's Mansion 3* Paul a Maxwell, 2020-04-08 Luigi never seems to learn his lesson. It's been 18 years since he was first lured to a haunted house and tortured by its spooky inhabitants. Now, having been duped again, he's trapped in an even bleaker building - the Hotel of Last Resort - as he races to rescue a familiar cast of Mushroom Kingdom characters. Although it treads very familiar ground to its predecessors, there's a lot to love in the third installment of the adventure series that lets Mario's timid twin take charge. You still guide the character through uniquely themed sections of the building, relying on his flashlight and multi-functional Poltergust vacuum to rid the place of ghosts. Luigi keeps track of his progress through the 15 main hotel floors with the help of a digital assistant, amusingly called a Virtual Boo, as well as the quirky Professor E Gadd, who's on hand to offer tips and tutorials. Luigi's Mansion 3 guide and walkthrough is complete with puzzle solutions, boss guides, every gem location, all boo locations, tips and tricks, secrets, easter eggs and references, and much more.

plucky squire walkthrough: *Bravely Default II Guide* Filixo Bondola, 2021-03-04 Welcome to our Bravely Default II walkthrough and guide. With this guide, you can expect a full walkthrough from beginning to end with strategies for every boss fight in the game, locations of all Treasure Chests, all sidequests, and much more! Bravely Default 2 Guide includes a complete, detailed walkthrough (including boss strategies), Job unlock locations and statistics, information on your favorite characters, collectibles, cheats and secrets, and even deep-dives into specific game mechanics. After both of the beautiful games that came out for 3DS, the series came to a halt... and after 5+ years of wait, we finally got the next game. This game is a completely separate story from the first 2, with different cast, different story, and even different art style. After many, MANY RPGs that I've played during 2020, playing Bravely Default 2 was a hard change, but not a bad one. Bravely Default II is a VERY RPG game, and by that I mean there are save points in dungeons, there are tents to heal up, tons of weapons and jobs, etc. This is a game where you cannot save anywhere, where save points won't heal your HP and MP, and when you need to grind to get stronger.
