This classic PC title from the early 90's may be an oldie, but you'll find its puzzles and challenges are still stumpers. Fortunately, Prima's guide provides over 30 pages of step-by-step walkthrough (pg. 102-135), leading you through not one, but all three unique paths you may take through the game. Just promise us you'll at least try to solve the puzzles on your own first! Handheld Heroics - Plenty of pint-sized adventuring awaits Indy in the handheld version of Indiana Jones and the Staff of Kings, and Prima hasn't downsized any of the strategy. Flip our Wii/PS2 guide over to discover another complete guide - one that's been specially crafted for the Nintendo DS! You won't have any trouble cracking them in record time with our solutions though, which are conveniently placed in the walkthrough as the puzzles are encountered, and also in a separate section (pg. 46-57) at the end of the guide that's easy to reference when replaying the puzzles in Cipher Mode!

kona game walkthrough: The Returnal Guide and Walkthrough Mary Johnson, 2021-05-06 In the Returnal, there are few things that last forever, so players are more likely to stick to those things. Unlocking some upgrades like Atropian Blade or Icarian Grapnel gives players a lasting boost to their character, so they are very important. The same is true with money. While all of the player's Obolites will disappear whenever they die and start a new cycle, Ether remains whatever may be. As a result, players can plow Ether and end up with a huge pile, although it will take some time. However, because of its widespread use, it may be worth the effort. Ether is one of the many currencies in Returnal, and with it, players can do a lot of things. Ether can be used to clean up violence on an object, allow it to be taken away without detecting Suit malfunction, and can be used

to charge Replicators to give players extra life. Finally, Ether can be sold by Obolites and can be used to launch new products. While it's not the fastest way, simply checking every biome while playing a game is a great way to find Ether. Players will see Ether in its purple light, but remember that both parasites and evil elements share this same color. Every day, Returnal players are given a challenge where they have to clear a particular biome under certain conditions. While players can compete with other scouts as part of this, simply surviving to the end and clearing the biome is enough to get players a huge amount of Ether. Usually, daily challenges reward five Ethers. **CLICK ON THE BUY BUTTON TO GET YOUR COPY NOW!**
