I have asked these exact questions many times. We all have. For me, growing up and learning from two different Christian denominations early on made my spiritual journey a crazy ride, as seen in this book. Many of us are not certain about a variety of our own faith questions. So what do we do about this? How are these questions to be answered? Is it simply reading more scripture? More prayers? More life experiences? Or maybe, have I already got the answers but have not recognized them in myself? Not easy questions to answer. This book will guide you, along with my experiences, to ask these exact questions. Maybe your own answers will come from this book, or you could be asking even deeper questions about yourself. last faith walkthrough: God of Solution Bishop Abdul K. Kargbo, 2017-07-17 Humanity is

seeking for solutions in different areas of life. Some are sick and need to be healed; some have spiritual problems and need deliverance. Some have serious financial issues, and others may just don't know what to do with their lives because it has been from one difficulty to another. The list goes on. This book is meant to reveal and inspire the human race that God has a permanent way of solving our problems. He is our creator and maker of all things. No producer will find it difficult to fix his product no matter how damaging it may be. There are different sources of solution, but God's means of solution is the best and most reliable. Man may help you with selfish motives, and even the solution may not be as dependable as God's. God has need of us. That's why he created us. He gave us salvation as a free gift by sacrificing his only son. Once we received this great salvation in Christ Jesus, then we may consequently be a candidate for divine solution in every other area of our life: healing, deliverance, restoration, and all-around breakthroughs. After salvation, God wishes above all things that we prosper and be in good health (3 John 1:2). We can't receive a godly solution to the problems of life until we surrender to God. We ought to show him that we are ready to serve him, and the change we need will be possible. For with God, nothing is impossible!

last faith walkthrough: *Cassy's Plight* T. Richard, 2022-12-08 Have you ever thrown caution to the wind and done something out of the ordinary—something to break up the monotonous and the mundane? And if so, was this choice you made so outlandish and irresponsible, were there times you felt your life was perilously hanging in the balance? Well, that's exactly what twenty-three year old, scatterbrain extraordinaire, Cassy Carter did. In fact, that's how this whole nightmare of an adventure begins: Hitchhiking on a dare! On a roadside nearing the hour of dusk, a young woman thumbing it for kicks and giggles, and maybe a bit more. For what happens next in these lush foothills and mountains dusted with snow, is the making of things unexpected. Things involving hellish demons, a killer copter, and a bloodthirsty drug baron. And if that doesn't sound like enough of a risk, how about falling for the man responsible for all this craziness? Meet Jack Reynolds, an unorthodox character if there ever was one, a manly man who lives in a treehouse and eats whatever

can be snared with a fishing rod or a crossbow. For Cassy soon becomes one of the snared, often wondering if she was pegged to be more than a lover—like the possible fixings for a scrumptious meal. Following a mad chase along the primitive logging trails, an accident finds the two of them at the mercy of drug-running thugs in dire want of a payday. And when it becomes apparent that Jack cannot fulfil this request, the young heroine turns into the only prize left in this deadly game of cat and mouse. For as with most people, love can play tricks and cloud judgements. With Cassy, this lingering struggle is no different. At times these feelings gave her unbound strength; when in other moments, they seemed to render her with obvious paralysis. But the question remains...would this emotion prove to be her downfall, or the precise ingredient required to make it out alive?

last faith walkthrough: Puzzle Journeys to the Mountain Top Sandra Spooner Anderson, 2014-09-03 All Christians go through a dry time—a time when it's hard to praise the Lord or pray. We can get through it to the valley where we can be strengthened and make it to the bottom of the mountain. Then there's special armor we need to help us climb. Without it, we will easily slide back to the beginning. That won't mean we failed. If we stop and don't keep trying, that's when we become failures. This is a nonfictional study on how to get to the mountaintop, and it is intertwined with testimonies of my life. So many wonderful things have happened in my life, and God brought me through many puzzle journeys. He walked every journey of dry spells and dark valleys with me and helped me climb the mountains.
