my demonic romance walkthrough: Love Me Like My Demon Does Jolene Middlemiss, 2023-11-26 Naomi knew that something was wrong in her relationship but it took a while for her to recognize the signs of gaslighting. She decides to seek help from Ambers Angels, but little did she know that this decision would cause her world to turn upside down. Faced with an ultimatum - be the submissive of one of the most powerful angels or figure out another way. Castiel is the head of Amber's Angels, and when Naomi appears in his office, he is immediately drawn to her. He desires her submission and wants her to beg for it. my demonic romance walkthrough: Love the Sin, Hate the Sinner Latrexa Nova, 2022-03-23 Our lust for each other could shatter reality. Asta I only had one summoner left just begging to feed me her sin, and then I was supposed to be home free, finally soaking my aches in the fiery hot springs of the Fifth Circle of Hell for my vacation. Then they showed up. Asmodeus. Cocky, entitled, and a King of Hell, they're top of the list for demons I'd like to crush under my foot after what they did to me. The worst part? Three hundred years without seeing them did nothing to break the irresistible tension between us. I want to bite their head off and get my mouth on that glorious incubus body all at the same time. Asmodeus I thought I was over Asta breaking off our friendship over a stupid prank. After all this time, I should have been. I had plenty of easily seducible humans to get over Asta. So how could I have expected the one time I get summoned in all those years would put me in their path? Now that we're forced to complete our summoners' deals together, I can't get Asta out of my mind-which sucks (and not in the fun way), because if we act on our desires, it could spark a literal apocalypse. But one true taste of sin might just be worth damning all of creation. Love the Sin, Hate the Sinner is a 50,000 word high steam, enemies-to-lovers romance that defies reality. It features genderfluid, shapeshifting sex demons who take every advantage of being anything you want them to be.
