

re7 daughters walkthrough

re7 daughters walkthrough is an essential guide for players navigating the treacherous world of Resident Evil 7: Biohazard, particularly during the intense encounters with the Baker family's daughters, Mia and Evelyn. This walkthrough will provide players with detailed strategies, tips, and insights to effectively progress through these challenging segments. As you delve into the eerie environments and face numerous adversities, this guide will cover crucial aspects such as enemy behavior, item locations, and effective combat tactics. By the end, you will have a comprehensive understanding of how to survive the horrors presented by the Baker daughters.

- Introduction
- Understanding the Daughters
- Key Strategies for Each Daughter
- Item Locations and Resources
- Combat Techniques
- Tips for Navigating the Environment
- Conclusion

Understanding the Daughters

In Resident Evil 7, the Baker family comprises several members, among whom the daughters play a pivotal role in the gameplay experience. The primary daughters, Mia and Evelyn, present unique challenges that require tailored strategies to defeat. Understanding their abilities and weaknesses is crucial for any player looking to master this segment of the game.

The daughters possess various supernatural powers, primarily stemming from their connection to the Mold, a mysterious and dangerous organism. This connection grants them enhanced strength, agility, and the ability to manipulate their environment, thus posing a significant threat to Ethan Winters, the game's protagonist.

Throughout the gameplay, players will encounter different phases and forms of the daughters, each requiring different approaches. Recognizing the patterns in their behavior can significantly improve a player's chances of survival and success.

Key Strategies for Each Daughter

Each daughter has distinct characteristics and requires specific strategies to conquer them effectively. Here, we will break down the approaches needed for each encounter.

1. Mia

Mia's encounter is marked by her erratic behavior and emotional turmoil, making her unpredictable. Players must focus on avoiding her attacks while looking for opportunities to deal damage. Here are some key strategies:

- **Stay Mobile:** Mia's attacks can be lethal, so constant movement is vital. Keep dodging her strikes while looking for openings.
- **Utilize the Environment:** Use the surroundings to your advantage. Seek cover and evade her direct line of sight whenever possible.
- **Focus on Timing:** Wait for her to initiate an attack before countering. This will maximize your chances of landing a hit while minimizing damage taken.

2. Evelyn

Evelyn represents a different kind of challenge, as her abilities stem from her connection to the Mold. This encounter often requires players to adapt quickly to her aggressive tactics. The following strategies can enhance your chances of survival:

- **Keep Your Distance:** Evelyn can unleash powerful attacks. Maintain distance and use ranged weapons whenever possible.
- **Observe Patterns:** Learn her attack patterns to anticipate and avoid her moves effectively. This will give you more time to react and counter.
- **Use Items Wisely:** Make sure to conserve healing items and ammunition for critical moments. Knowing when to use them can turn the tide of the battle.

Item Locations and Resources

Item management is crucial in Resident Evil 7, especially during encounters with the daughters. Knowing where to find resources can give you the upper hand. Here are some key locations:

- **First Aid Meds:** Often located in the house, check drawers and cabinets.
- **Ammunition:** Found near the stables and in various crates throughout the game. Always search thoroughly.
- **Weapons:** Early access to weapons can be found in the main house. Ensure to explore the area for any hidden weapons.

Combat Techniques

Effective combat techniques are essential for defeating the daughters. Here are some recommended methods:

- **Headshots:** Aim for headshots whenever possible, as they deal significant damage and can stagger enemies.
- **Use Grenades:** Explosive devices can deal heavy damage and are particularly useful when the daughters are grouped.
- **Stealth Attacks:** If the situation permits, approach enemies quietly to initiate stealth attacks for extra damage.

Tips for Navigating the Environment

Environmental awareness can significantly impact your success during encounters. Here are some tips for navigating the game:

- **Map Awareness:** Familiarize yourself with the layout of the house and surrounding areas. Knowing escape routes can be lifesaving.
- **Check Every Corner:** Explore every room for items and resources. Hidden supplies can provide a crucial advantage.

- **Listen Carefully:** Audio cues can provide hints about enemy locations and behaviors. Use sound to your advantage.

Conclusion

Mastering the encounters with the daughters in Resident Evil 7 requires a mix of strategic planning, environmental awareness, and combat skills. By employing the strategies outlined in this guide, players can navigate these intense battles with greater confidence. Remember to focus on item management and leverage the environment to your advantage. With practice and patience, you will conquer the challenges posed by Mia and Evelyn, paving your way toward the game's conclusion.

Q: What is the best weapon to use against the daughters in Resident Evil 7?

A: The best weapon to use against the daughters is typically the shotgun, as it deals significant damage and can knock them back, giving you time to evade their attacks.

Q: How can I avoid damage during the encounters with the daughters?

A: To avoid damage, maintain mobility, utilize the environment for cover, and learn the attack patterns of the daughters to anticipate their moves.

Q: Are there any specific items that are essential for defeating the daughters?

A: Yes, first aid items and ammunition are crucial. Additionally, having grenades can help deal with multiple enemies effectively.

Q: Is it possible to stealthily approach the daughters?

A: Yes, in some instances, players can approach the daughters stealthily, allowing for surprise attacks that deal extra damage.

Q: How do I manage my inventory during the game?

A: Prioritize carrying essential items like healing supplies and ammunition. Regularly check your

inventory and discard items that are not useful at the moment to make space for more critical resources.

Q: What should I do if I run out of ammo during a fight?

A: If you run out of ammo, focus on evading attacks and look for melee opportunities. Additionally, explore the environment for any hidden ammunition.

Q: Can I replay the encounters with the daughters after completing the game?

A: Yes, after completing the game, players can use the New Game Plus mode to replay encounters and improve their strategies.

Q: What is the easiest way to defeat Evelyn?

A: The easiest way to defeat Evelyn is to keep your distance, utilize ranged weapons, and learn her attack patterns for effective dodging and countering.

Q: Are there any environmental advantages during the fights with the daughters?

A: Yes, using the environment for cover, finding high ground, and exploring for traps can greatly assist you during encounters with the daughters.

Q: How can I prepare for the hardest encounters in the game?

A: Preparing for the hardest encounters involves gathering ample resources, upgrading weapons, and practicing combat techniques to enhance your skills before facing challenging foes.

re7 daughters walkthrough: Resident Evil 7 Strategy Guide Kay Debs, 2017-09-16 Resident Evil 7: Biohazard is a survival horror video game developed and published by Capcom. The game was released worldwide in January 2017 for Microsoft Windows, PlayStation 4 - with support for the PlayStation VR headset - and Xbox One. It is the eleventh main entry and 24th entry overall in the Resident Evil franchise. It is the first main series installment to be played from a first-person perspective. The story follows civilian Ethan Winters as he searches for his wife Mia, which leads him to a derelict plantation inhabited by the Baker family. Ethan makes use of weapons and tools in the fight against the Baker family, and the Molded, a humanoid form of bacteria. Healing items are used in the event of injury and there are puzzles that may be solved to further the story. Instead of being action-oriented like Resident Evil 5 and Resident Evil 6, the survival horror element present in earlier installments and exploration took priority. Thus, the game uses a first-person perspective. It is the first full-length game to be developed in the RE Engine. Get to play this game and get to the end in no time with this strategy guides.

re7 daughters walkthrough: Resident Evil 6 Dan Birlew, Logan Sharp, Brady Games, 2012 Germ warfare is as dangerous as ever in Resident Evil 6. It's 2013, more than 10 years since the Raccoon City incident, and bioterrorism is back with a vengeance. Navigate the threat of the deadly C-virus with Resident Evil 6 Signature Series Guide, the official strategy guide. Easy to use and detailed maps show you locations of useful items, key locations for cover, and plenty more. Walkthrough chapters have specific advice for enemy encounters and main events, and you'll find boss fight info and tactics to take out the big guys in style. Official artwork will appeal to all fans of the Resident Evil franchise, and with stats and biographical info it brings characters such as Leon S. Kennedy and Cpn. Chris Redfield to life. There is a full section on tips and strategy for co-op play and every single piece of weaponry or equipment found in the game is also described in Resident Evil 6 Signature Series Guide. In the relentless excitement of Resident Evil 6, get ahead of the game with Resident Evil 6 Signature Series Guide.

re7 daughters walkthrough: Resident Evil Zero Dan Birlew, 2002-11 Birlew provides complete walkthroughs for Rebecca and Billy, plus highly detailed maps and expert boss tactics. This Signature Series Guide features a special cover treatment, bonus content, and a premium item, making it a true collector's guide.

re7 daughters walkthrough: Resident Evil 7 Biohazard Strategy Game Guide Karl Berry,

2017-05-09 Resident Evil 7: Biohazard is a survival horror video game developed and published by Capcom. The game was released worldwide for Microsoft Windows, Xbox One and PlayStation 4 in January 2017, the latter featuring support for the PlayStation VR headset. It is the eleventh main entry and 24th entry overall in the Resident Evil franchise. It is the first main series installment to be played from a first-person perspective. The story follows Ethan Winters as he searches for his wife Mia, which leads him to a derelict plantation inhabited by the Baker family. Ethan makes use of weapons and tools in the fight against the Baker family and creatures known as the Molded. Healing items are used in the event of injury and there are puzzles that may be solved to further the story. Instead of being action-oriented, the survival horror element present in earlier installments took priority. Thus, the game uses a first-person perspective. It is the first commercially released game developed in the RE Engine. Enjoy this Resident Evil 7 Game Guide.

re7 daughters walkthrough: The Returnal Guide and Walkthrough Mary Johnson, 2021-05-06 In the Returnal, there are few things that last forever, so players are more likely to stick to those things. Unlocking some upgrades like Atropian Blade or Icarian Grapnel gives players a lasting boost to their character, so they are very important. The same is true with money. While all of the player's Obolites will disappear whenever they die and start a new cycle, Ether remains whatever may be. As a result, players can plow Ether and end up with a huge pile, although it will take some time. However, because of its widespread use, it may be worth the effort. Ether is one of the many currencies in Returnal, and with it, players can do a lot of things. Ether can be used to clean up violence on an object, allow it to be taken away without detecting Suit malfunction, and can be used to charge Replicators to give players extra life. Finally, Ether can be sold by Obolites and can be used to launch new products. While it's not the fastest way, simply checking every biome while playing a game is a great way to find Ether. Players will see Ether in its purple light, but remember that both parasites and evil elements share this same color. Every day, Returnal players are given a challenge where they have to clear a particular biome under certain conditions. While players can compete with other scouts as part of this, simply surviving to the end and clearing the biome is enough to get players a huge amount of Ether. Usually, daily challenges reward five Ethers. **CLICK ON THE BUY BUTTON TO GET YOUR COPY NOW!**
