star struck walkthrough: *Unexpectedly Mine* A.M. Williams, 2021-05-11 One sexy football player. One sassy small-town librarian. Romance doesn't stand a chance after one misstep has these two running in opposite directions. Charlie HEA? No way. Jasper Sutton is the reason I watched my dream go up in smoke. I don't care that he's ridiculously hot, and the night we met was one of the best of my life. The fact that he's also funny and easy to talk to means next to nothing. He reminded me that love was out there, even in this small town I've called home for years. But he tore all my hopes to shreds when he bought the old library to turn it into a gym. And then, when I realized what he did for a living? Not going there. Been there, done that, got the t-shirt to prove it. I do not see myself with a superstar athlete, not after what the last one did to me. I have to remain strong and ignore how wildly attracted to him I am. It would never work. Jasper Charlotte "Charlie" Drake is something else. And I don't mean that as a compliment. She might be gorgeous and sexy, but she's also headstrong and stubborn. I get it--I messed up. Without meaning to, I crushed her dream. But I'm crazy about her. She's the only woman who looked past my name and reputation to see the real me. She doesn't care that I'm a famous NFL star. She claims to hate what I do for a living but I'm determined to change her mind. To convince her to give us a chance. I want to prove to her that I'm serious and that we could be good together. Can they let go of their pride and embrace their love, or will their differences keep them apart forever? *Unexpectedly Mine* is a small town, opposites attract, football romance. If you love small towns with lots of heart, download now! This book was previously published as *Blitz*. The story inside the book is the exact same, it just got a new cover and title.

star struck walkthrough: *Assam of Death* H. C. Cardona, 2025-07-18 Peyton Hart didn't

expect a gala invite from Wallshire's police captain—let alone one hosted at a crumbling mansion steeped in history, politics, and way too much wine. But when she arrives at Hallowthorne House in her favorite velvet dress, she quickly realizes this isn't just a fundraiser—it's a powder keg. Tensions simmer between rivals, secrets linger in every gilded corner, and a perfectly polite evening turns perilous when a body turns up the morning after. With her tea shop on the brink, a stormy detective at her side, and a growing suspicion that someone is brewing more than just scandal, Peyton finds herself once again steeped in mystery. *Assam of Death* is a cozy mystery full of sharp banter, small-town secrets, and one heroine who never backs down from a little trouble (or a slow dance with danger). For fans of clever sleuths, simmering chemistry, and mysteries that blend wit, warmth, and a touch of noir.
