spirit of justice walkthrough: **The Soul from Heaven & Hell** Ricky Lim, 2020-06-25 Heaven and hell are separated by the earth as a mezzanine. All of us are sent here to the earth for a short term course before we could determine our next destination after death. There's no right or wrong. Both heaven and hell gates are open as a choice for us all. You will never understand each side of the story until you set foot there. People from hell will never want to enter heaven, and the same goes to people in heaven. But how sure are you have that all the people in hell are bad? Likewise, not all people in heaven are well-behaved. Don't ever judge a person based on other people's comments, unless you're inside him and feel the same way he does. Life is about a choice. IF HEAVEN, DON'T LOOK BACK TO HELL; IF HELL, ENJOY IT.

spirit of justice walkthrough: POW: Prisoner of Washington D. Brent Waltz, 2024-08-20 Ever wonder how you'd fare in federal prison? For Indiana State Senator Brent Waltz this question became a shocking reality. After spending sixteen years serving his community in the Indiana Senate, he found himself being targeted by federal prosecutors who hoped he'd assist them in indicting his longtime friend—a wealthy Donald Trump supporter and fundraiser. When Waltz refused, those same prosecutors turned their attention toward him, resulting in a ten-month sentence for an alleged campaign finance violation. Waltz's 176 days incarcerated in the Ashland Federal Correctional Institution provided him far better insight into the American justice system than anything he learned as a senator. On his eightieth day at Ashland—after being locked in an 8' by 6' cell for ten days straight—Waltz's fellow inmates proclaimed him the prison "shot caller." From this vantage point, Waltz decided to record his firsthand account of being locked in federal prison. He shares the widespread racism and abuse by guards, inadequate medical care for inmates, and rampant drug smuggling, while also including some of the more humorous moments from his ten-month sentence. Rather than being outraged by his treatment, Waltz presents POW—Prisoner of

Washington in hopes that future leaders will demand better oversight of our justice system and the prosecutors who use their “discretion” to attack those with whom they view as dangerous to the political status quo...and their own power.
