With this guide, you can expect a full walkthrough from start to finish, locations of all the Azure Petals, all Graffiti locations, every single chest, all the sidequests, and much more! I'm not going to lie, I didn't know where this game was going to go with Adol being Adol, but not being Adol (yes, very confusing), and him being in prison, but it's the same Ys experience you've come to know and love. The game has a much darker tone than previous games in the series, but it doesn't lower the charm of its world and characters. So follow me, as we play as Adol... and Crimson King and solve the mysteries plaguing Balduq, the Prison City.
