----- Welcome to my Soul Hackers 2 walkthrough and guide! This walkthrough will cover all the major story locations, demon information, Requests/side quest help, boss fight information, and achievements. You will get detailed help to ensure that you are not lost at any point throughout the game. Soul Hackers 2 uses similar turn-based combat that you would have seen in games such as Shin Megami Tensei V or Persona 5 Royal. There are changes to the formula, such as All Out Attacks being replaced with Stacks and Sabbaths, but it should be easy to grasp for people familiar with previous SMT games. Items are often obtained through Demon Recon, where your demons go out into a dungeon and can find items, demons for your party, or heal you. While the location and appearance of Demon Recon is inherently random, any important items/demons will have their locations noted. This walkthrough will be written for the Normal difficulty setting, but the strategies should apply for those wishing to challenge themselves on Hard. Battles may take longer, but you shouldn't find a large variation in terms of strategy. *****So, what are you waiting for? Once you grab a copy of our guide, you'll be dominating the game in no time at all! Get your Pro tips now.?
