good bible study guides: Keep It Shut Bible Study Guide plus Streaming Video, Updated Edition Karen Ehman, 2025-06-03 Words are powerful, and they have consequences. From Bible times to modern times women have struggled with their words. What to say. How to say it. What not to say. When it is best to remain silent. And what to do when you've said something you wish you could now take back. In this six-session study, Karen Ehman, a woman who readily admits that her mouth has gotten her into loads of trouble, shares the hows (and how-not-tos) of dealing with the tongue. Far more than a how not to gossip study, this video-based small group Bible study challenges women to dig deep into what the Bible says about the ways we use our words—both in person and online—and when we should just keep our lips zipped. This study guide includes: Individual access to six streaming video sessions Video notes and a comprehensive structure for group discussion time Personal study for deeper reflection between sessions Recipe and food ideas, cut-out Scripture memory verses and helpful daily reminders Streaming video access included.
