Each CLEP exam typically consists of multiple-choice questions, and some may include essays, depending on the subject area. The exams cover a wide range of disciplines, including humanities, social sciences, natural sciences, and business.

Exam Structure and Scoring

Each CLEP exam generally lasts about 90 to 120 minutes, with the number of questions varying by subject. Most exams feature around 120 questions, and the scoring system ranges from 20 to 80, with a typical passing score being around 50. Understanding the structure and scoring of CLEP exams is vital for effective preparation, making study guides an invaluable resource.
