christian workbooks: Early Christian Books in Egypt Roger S. Bagnall, 2021-07-13 For the past hundred years, much has been written about the early editions of Christian texts discovered in the region that was once Roman Egypt. Scholars have cited these papyrus manuscripts--containing the Bible and other Christian works--as evidence of Christianity's presence in that historic area during the first three centuries AD. In *Early Christian Books in Egypt*, distinguished papyrologist Roger Bagnall shows that a great deal of this discussion and scholarship has been misdirected, biased, and at odds with the realities of the ancient world. Providing a detailed picture of the social, economic, and intellectual climate in which these manuscripts were written and circulated, he reveals that the number of Christian books from this period is likely fewer than previously believed. Bagnall explains why papyrus manuscripts have routinely been dated too early, how the role of Christians in the history of the codex has been misrepresented, and how the place of books in ancient society has been misunderstood. The author offers a realistic reappraisal of the number of Christians in Egypt during early Christianity, and provides a thorough picture of the economics of book production during the period in order to determine the number of Christian papyri likely to have existed. Supporting a more conservative approach to dating surviving papyri, Bagnall examines the dramatic consequences of these findings for the historical understanding of the Christian church in Egypt.

If you are looking for a book that will move you to tears, then look no further than Hell: A Place Without Hope; a masterful book that will not only inspire you to become a better person, but will also teach you some of life's greatest lessons. Inspirational Book! David T. Williams About the Book A young man spends a day in hell and comes back to tell us the story. Hell: A Place Without Hope, is a powerful book that sends a strong message. Every generation of young people should have to read this wonderful Christian book. This book is based on Real Life Experience, which I derived from a vision I had in the year 2005. Eye Opening. -Laura Thomas -Blogging for Jesus, Inc. Message From the Author If you could have a private conversation with Jesus Christ and ask him anything you wanted, what would ask him? What am I doing here? What does God want from me? We stumble along, fumbling for answers to some of the most difficult questions in this ambiguity of the human condition that we refer to as life, and fail to realize that everything happens for a reason. God has a plan for you; he has a plan me. There's a plan for all of us. I am a radical follower of Christ, with whom I have a deep and intimate connection. In him I will store all of my faith for the remainder of my days. Ivan King Author's Favorite Quote Life is a comedy to those who think; a tragedy to those who feel.
