bible study workbooks for adults: *Scripture Workbook* Gary Zeolla, 2000-10 This book contains twenty-two individual 'Scripture Studies.' Each study focuses on one general area of study. These studies enable individuals to do in-depth, topical studies of the Bible. They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study. They can be used for group studies as well. The range of topics covered in the different studies is broad, from what the Bible teaches about itself to what the Bible teaches about divorce and remarriage. Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies. So if you're an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader looking for help in preparing lessons, this book will be of great benefit. The sources for the viewpoints promoted in these Scripture Studies are wide and varied. The ideas are taken from commentaries, study Bibles, theology books, books of various kinds, and most importantly, this writer's own personal study of the Scriptures. The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views. Every effort has been made to ensure the accuracy of the Scripture references in these studies. But with the thousands of references presented, it is likely that a few 'typos' have crept in. If the reader comes across a reference that does not make 'sense' in the context presented, just go onto the next one. There are always plenty of verses listed for each point. It is my hope and prayer that God uses these Scripture Studies to help the reader to: '... grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and forever. Amen' (2 Peter 3:18).

bible study workbooks for adults: The End of the Age Bible Study Guide John Hagee, 2022-02-15 The Day of the Lord Is Coming Soon The common saying “Everything comes to an end” assumes that what has a beginning must logically have a conclusion. Rumors of wars, earthquakes, pestilence, and signs in the heavens have increased—and many believe that the End of the Age is upon us and a new age is about to be born. While some in power wish to promote that which is contrary to God’s Word, believers in Christ must continue to stand for righteousness and boldly speak the truth according to God’s Word. No man knows the day or the hour, but make no mistake…when the trumpet sounds, Jesus will be coming for His children. In The End of the Age Study Guide, New York Times bestselling author John Hagee examines the prophecies of the Bible in the context of the events taking place in our world. He reveals how through Bible prophecy, the Lord lays out our future, both in this life and in the life to come. He also shows that we are more than conquerors, called to abundance, confidence, and peace—when we have the knowledge of the truth found in God’s Word. The End of the Age represents quintessential teaching from John Hagee on Bible prophecy and is a must-read for all those concerned with God’s divine plan. Each lesson in this study guide corresponds to the book and includes the following sections: Explore the Scripture: key passages for you to explore with study questions Reflect on the Scripture: questions to help you reflect on the truths of the passage Act in Faith: questions to help you apply the message of the passage to your life

As David's life weaves throughout the pages of Scripture, we see he was a man who spent his life chasing after God. Chase explores the events that defined David's life and the Psalms that flowed out of those experiences. Through David's example we'll discover what God really wants from us. The lessons in this study guide are simple, yet deep and very interactive. Dig into Scripture with Bible study, stories, and projects to deeply engage the mind and heart. Whether you are running from God or working your tail off to get closer to Him, David's journey will challenge your view of God. God is the only thing we can chase that won't leave us feeling more empty.
