Structure of the Old Testament

The Old Testament can be categorized into four main sections: the Pentateuch, Historical Books, Wisdom Literature, and the Prophets. This division aids in understanding the context and purpose of each book.

- **Historical Books:** This section includes books from Joshua to Esther, chronicling the history of the Israelites from their conquest of Canaan to their return from Babylonian exile.
- **Wisdom Literature:** Comprising Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon, these texts explore themes of suffering, worship, and the nature of wisdom.
- **Prophets:** This section is divided into Major and Minor Prophets, featuring books like Isaiah, Jeremiah, and Ezekiel, addressing Israel's moral failures and the hope for restoration.

The New Testament is organized as follows:

- **Gospels:** The first four books—Matthew, Mark, Luke, and John—provide different perspectives on the life and ministry of Jesus.
- **Acts of the Apostles:** This book details the early Church's history and the spread of Christianity following Jesus' ascension.
