bible workbooks free: Way Truth Dale M. Presley, 2009-10 Way Truth: Life, that expands upon the theology presented in the author's first-published book, Way Truth: Life - Revelation of the Creator LORD Jesus Christ, is a book that is much needed. For, most who claim to be Christian do not comprehend the fullness of Who the Creator LORD Jesus Christ is. And, virtually none of these understands God's overall Plan of Redemption of the Ages that is necessary to correctly interpret Bible prophecy. These are so ignorant of what God is doing and about to do that they do not even know what questions to ask. Most proclaimed Christians have no concept of what the Bible reveals concerning the timing of Christ's return. They certainly cannot use simple terms to clearly explain how God's predestination and mankind's free will coexist. They do not know how God will ultimately judge all sinners in a fair manner regardless of when they live or what spiritual enlightenment they are exposed to. Sadly, most do not even know what God really requires for a person to be born again and eternally saved, much less what spiritual stages everyone who ever lives potentially goes through from the moment that one comes into existence until he physically dies. They do not know God's plan for His chosen nation of Israel during the church age, during the coming 7-year Tribulation and during the Millennial Kingdom. And, they have no idea what the Bible clearly reveals about the destiny of everyone who dies before the age of moral accountability. Clear answers to the above are provided within this fully scripture-referenced book on theology entitled Way Truth: Life. Additionally, the author's most-literal approach to interpreting God's Word also makes it very easy to decipher Bible prophecy.
