In our workbook we discuss and work through the 12 Step recovery process. Alcoholism is a disease of the body, mind, and spirit. This is the experience of many of us who are in recovery from alcoholism, our strength is the result of being sponsored through the 12 Steps, and our hope is in recovery from this addiction by emulating the success of those who have gone before us. Those seasoned in recovery. The Circle Of Life was developed to help with the basics of recovery. A strong emphasis is placed on obtaining and utilizing a 12 Step program sponsor. We stress attendance of alcohol addiction support meetings and developing a support system. The intention of this workbook is to aid recovering alcoholics in working through the 12 Steps with a sponsor. This workbook does not address formal religion or dogma. This process of recovery, we believe through our own experience, is spiritual in nature and change through guidance of a Power greater than ourselves becomes the key to recovery. The first three chapters give information on our addiction, seeking help for recovery from alcoholism, the feelings that are associated with coming into sobriety, and withdrawal from active drinking. Chapters four through twelve are dedicated to working the 12 Steps. By utilizing the tools and by working the 12 Steps in this workbook with a sponsor, we believe that it is possible to get and stay sober from drinking by applying the steps we have worked, and by practicing these principles in our life on a daily basis. We have experienced an abundant life and it is available to all of us. Visit our site: <https://sites.google.com/site/circleoflifesite/>
