Now, a decade after its first revision, the entire series is being redesigned, updated and consolidated to meet the needs of 21st-century students and businesspeople who want to learn natural, spoken Japanese as effectively as possible in a limited amount of time. The Romanized Version uses romanized Japanese throughout, with kana in the Opening Dialogues of each lesson. The Kana Version—exposing students to hiragana and katakana from the very beginning—uses only kana. The content of the two books is otherwise exactly the same. The companion volume, *Japanese for Busy People 1: The Workbook for the Revised 3rd*

Edition contains a variety of illustrated exercises for mastering the basic sentence patterns presented in the main text.
